COUNCIL WORK SESSION  
January 22, 2013

MINUTES

Casper City Council met in work session at 4:30 p.m., Tuesday, January 22, 2013. Present: Councilmen Meyer, Hopkins, Cathey, Goodenough, Sandoval, Hedquist, Powell, Bertoglio and Mayor Schlager.

The first item on the agenda was a presentation from several business owners regarding the impact of the ordinance on smoking in public places. The speakers included Pat Sweeney, owner of All That Jazz, Wonderbar and Poor Boys; Nancy Goddard from The Sandbar and Frosty's; Dan Miner from Industrial Screen and Maintenance Inc.; Al Curtis from Moonlight Liquors; Rhonda Lawstuen from the VFW Post 911; and, Mel Harvell, 420 North Elk Street, VFW Post 10677. Council questioned the impact of other changes in the community during the time frame from September 2012 through December 2012. Some impact may be accredited to the opening of new bars and restaurants during this same time frame. However, many of the business owners felt that the smoking ordinance was the biggest cause for the loss of business. They asked that the Council consider bringing back the ordinance and either repealing it or amending it to exempt bars and private clubs, as well as businesses which employ less than 20 employees.

Council discussed the request, and the consensus was that the ordinance should be brought back to a future work session for a review.
